Event overview

May 14, 2025

10:00 am to 11:30 am

Need help with your device? Register for a small group device clinic with TechConnect staff. Bring your own device (e.g. mobile phone, tablet or e-reader) and your technology questions.

If you prefer to work at your own pace, you can also use the online learning resources the library has created to introduce you to computer basics. Whether you want to learn about Windows or Mac, or get some practice keyboarding, the device clinic will give you the opportunity to develop and practice your technology skills.

Registration is recommended. Each participant must register individually. If all four spots have not been registered, drop-in spots will be available. If you drop in, you'll need to check in with your name and email address.

Questions? Contact [info@nvcl.ca](mailto:info@nvcl.ca) or [604-998-3450](tel:604-998-3450).
