Event overview

May 2, 2025

10:30 am to 12:00 pm

Knowledge of Microsoft Office is consistently in the top five requirements in job postings. Want to learn MS Office's most popular applications, Word and Excel? In these hands-on practice sessions, you can work through practice problems to gain the skills you need to use these applications.

We will be focusing on Excel for classes between April 4 - May 2. Each week we will build on the skills and tasks done in the previous week. Because of this, it is recommended that you attend all four sessions. Registering once will register you for all future sessions.

Registration is recommended. Each person must register individually. Drop-in available while space permits. Limit of 12 spaces.

Registration is closed.
